

Cruise Lines

"Cruise Baltimore. So close. So Easy. So go." Is just one of the many ways the Maryland Port Administration is working with Baltimore Area Convention and Visitors Center and the Maryland Department of Business and Economic Development to brand Baltimore as a successful cruise port in 2005 and beyond.

Maryland's Port of Baltimore had a very successful 2004 cruise season with 60 home port calls. For the 2005 season, Royal Caribbean Cruise Lines has increased its commitment to Baltimore with 28 sailings on the Grandeur of the Seas from May through November 2005.

So close. So easy. So go!
